Dear Mr Bell,

I can't begin to thank you enough for your exceptional gift to Feeding America West Michigan and our outreach in the Upper Peninsula. 1 in 8 people in Michigan struggles with food insecurity, and your donation puts food directly into the hands of our hungry neighbors. For that, we are sincerely grateful.

During this season, we reflect on the things that matter to us and the things in our lives that we are grateful for. Rest assured, donors like you are on the top of that list for us. Without you, we would not be able to continue our mission to help those struggling with hunger and food insecurity in the U.P. We really appreciate your compassion in action.

Thank you for partnering with us. Your generosity of spirit and willingness to help a neighbor in need keeps us going day after day, and we believe that together, we are making a difference.

Sincerely,

Kenneth R. Estelle
Chief Executive Officer
